Why do Leagues Differ in Cost?

League weekly fees differ for several reasons: number of games bowled, incentives, food, drink, trophies, etc.

Most adult leagues offer prize money to be given back to the bowler at the end of the season.

Ask what is included in the league(s) you are interested in.

Everyone is "Good Enough"

Most bowling leagues use a Handicap Scoring System to allow for bowlers of all different ability levels to compete within the same league. Handicap is based on a percentage of one's average and added to each game score (adjusted weekly). The computerized scorers will calculate everything for you.
