When do I get my new ball?

New bowler balls will be given out
at half way point of your league.

What if I want my ball sooner? It is doable just

fee, then your ball will be ordered right away and be
available to you within 2 weeks. Why do I have
to pay a rush fee? We are able to get a better price from the
supplier if all balls are ordered at same time. When orders
are placed individually for rush orders the cost is considerably more.

Why do we do this? To encourage new bowlers to give league bowling a try and

why hundreds of people in the area enjoy league bowling each year. In addition having
